

Motivational Interviewing

September 21-22, 9:30am - 4:00pm

Overview and Target Audience:

Day one workshop will provide a basic introduction to the spirit and technique of Motivational Interviewing. This training will be at the introductory level and no prior knowledge or experience with MI is necessary.

Day two workshop will focus on improving skills in eliciting and recognizing “change talk”. A structured assessment of MI skills will also be conducted (using the [Video Assessment of Simulated Encounters](#), or VASE-R) See attached for agenda. For Dental Staff, HS/EHS Teachers, Coordinators, Management, I-Smile staff, Public Health staff, etc.

Where: West Des Moines Learning and Resource Center,
Mills Civic Parkway West Des Moines, IA 50265
